One Peking Won Double-Star Managed Property Award and Outstanding Managed Public Carpark Award

One Peking was awarded “Double-Star Managed Property Award” and “Outstanding Managed Public Carpark Award” at the Kowloon West Best Security Services Awards Competition 2020. The Competition was organised by the Regional Crime Prevention Office of Kowloon West Region of Hong Kong Police Force together with the Hong Kong Association of Property Management Companies, and the Security and Guarding Services Industry Authority. One Peking won the awards again this year after a selective procedure. It fully manifested the property management team of One Peking, continuous commitment to strive for excellence in premium property management services.

Back to the early stage of developing One Peking, Glorious Sun Group engaged Jones Lang LaSalle Incorporated (JLL) to provide professional services to our tenants and to drive sustainability for One Peking. Double-Star Managed Property Award is not easy to come by: One Peking was awarded “Star Managed Property” in 2019, and also was awarded “Outstanding Managed Property” in this year’s competition.

First awarded in 2016, One Peking has already been awarded with “Outstanding Managed Property” for consecutive 5 years in the past. The top level of One Peking’s management provides a safe and superior business environment for tenants over the years.

Glorious Sun Group has been taking prompt and effective action since the COVID-19 pandemic spread in Hong Kong last year. Providing a safe and clean environment and reliable management services to our tenants is One Peking’s core business.

Glorious Sun Group upholds the principle of maintaining the highest quality of management and creating an ideal environment for business to tenants. One Peking maintains 100 percent occupancy rates during the challenging time, which reflects the confidence from the market and the tenants to One Peking.
